

Service Member + Veterans Needed for PAID Research!

Help advance the research in the area of psychological assessment and assessment accuracy of PTSD!

\$50 for 90 minutes of your time!

If you are an OIF/OEF/OND veteran that has a history of PTSD, please consider participating in this research study on the development of a new computerized assessment instrument!

You are eligible if you are:

- * OIF/OEF/OND Veterans
- * English speaking
- * Suffer from combat/deployment-related PTSD symptoms
- * Internet access with web camera

You will be asked to complete a brief phone screen to determine study eligibility, followed by a 60 to 90 minute procedure to be completed via web conferencing.

The procedure will include completion of 6 brief psychological questionnaires.

Upon completion of the questionnaires, you will be awarded \$50 for your time.

eburris@alliant.edu

Email to set up an appointment!

Participation in the study is anonymous and confidential.

You can withdraw from the study at any time.
